

## Our Internet Safety House Rules

- Never write your address or phone number online, or give out any information that identifies you.
- Never give out your passwords, even to friends.
- Treat others with respect online, as you would in person.
- Remember that nothing you do on the Internet is private; don't say or do anything you wouldn't want others to know about.
- Never open an email or click on a link from someone you don't know.
